

STANDARD TERMS AND CONDITIONS FOR ADVERTISERS **World Federation of Occupational Therapists**

These Standard Terms and Conditions for Advertisers are incorporated into the Advertising Agreement between WFOT ("WFOT") and the entity placing the order for advertising ("Client").

All bookings, orders or other requests by the Client for advertising are governed by these Standard Terms and Conditions for Advertisers. No other conditions, provisions or terms of any sort appearing in any documents or communications made in connection with any order will be binding on WFOT whether in conflict with or in addition to these Standard Terms and Conditions for Advertisers.

Orders which quote rates other than WFOT's then current published rates will not be binding on WFOT (unless approved by WFOT in writing), and will be deemed requests for advertising on the terms of this Advertising Agreement at WFOT's then current rates.

All advertising costs must be paid in advance of the campaign and WFOT will not be required to fulfill any of its obligations under this Advertising Agreement until such payment has been properly executed by the Client.

Any offer by WFOT to publish advertisements for the Client is made on these Standard Terms and Conditions for Advertisers only, and the placement or other communication of an order for advertising or content integration with WFOT will constitute the Client's unconditional acceptance of these Standard Terms and Conditions for Advertisers.

WFOT reserves the right to reject or cancel any advertising at any time in its sole discretion (including at any time after the commencement date). Any failure by WFOT to publish any requested advertisement or to integrate any particular item of content will be deemed to constitute a rejection of the order for such advertisement, but does not constitute a breach of contract or otherwise entitle the Client to any legal remedy.

If the Client asks WFOT to produce an advertisement or item of content for integration, the Client must: i) pay the "production fee" set out in the WFOT Advertising Rates, or if no production fee is specified then the amount set out in WFOT's then current rates, and ii) provide WFOT with all relevant material and design instructions at the time of completion of the order.

All relevant material must be supplied in the manner and in the format WFOT specifies. WFOT will not be required to publish any advertisement nor will it be liable for any form of loss, damage, liability or expense resulting from any delay or error in any publication.

If the Client fails to supply WFOT with all relevant material in accordance with these Standard Terms and Conditions for Advertisers WFOT will procure the production of the advertisement and submit it to the Client for approval.

Included in the production fee is the opportunity to request amendments or alterations to the advertisement on one occasion only. Each subsequent request for amendment or alteration will incur an extra fee at WFOT's then current rates.

The Client represents and warrants to WFOT that it is fully authorised to publish the entire contents and subject matter of all advertisements submitted to WFOT (including, without limitation, all text, graphics, icons, photographs, materials provided to WFOT for production purposes, URLs, and sites to which URLs are to be linked), and that all such contents and subject matter will comply with all applicable laws, regulations and relevant industry codes. If the relevant advertisement includes any information on a competition or promotion, the Client: i) acknowledges and agrees that WFOT is not the promoter, ii) will ensure that the advertisement does not imply that WFOT is the promoter, iii) will ensure that the correct identity of the promoter is set out on the website represented by the hyperlink embedded in the advertisement, and iv) will ensure that all applicable permits have been obtained, and all applicable regulations governing the conduct of the relevant competition/promotion have been complied with.

The Client agrees unconditionally to indemnify WFOT and hold WFOT harmless (including all of its officers, agents employees and affiliates) from and against any and all loss, damage, liability and expense (including all reasonable legal fees) suffered or incurred by reason of any claims, proceedings or suits based on or arising out the publication of, or any act or omission in relation to, the advertisements , including but not limited to claims related to defamation, contempt of court, rights of publicity and/or privacy, copyright infringement, trade mark infringement, misleading or deceptive conduct and any failure to comply with or fulfil any representations, warranties or agreements made in the relevant advertisement or on any website represented by a URL shown or embedded in the relevant advertisement or any object in such advertisement.

All order provisions regarding positioning of advertisements will be treated as requests which will be fulfilled at WFOT's sole discretion. Advertisements that simulate WFOT's editorial matter in appearance or style, or that are not readily identifiable as advertisements, are not acceptable. WFOT may in its sole discretion label any advertisement as an "advertisement" for clarification and may stipulate other conditions to ensure that it is clear that the advertisement is not WFOT editorial matter.

All of WFOT's advertising and production rates are subject to change at WFOT's sole discretion. WFOT will use its commercially reasonable efforts to announce all advertising and production rate changes at least thirty (30) days in advance of their effective date. In the event WFOT makes a rate change in respect of a period (or any portion thereof) for which the Client has placed an order for advertising with WFOT and upon subsequent notice to WFOT by the Client that the Client wishes to cancel its order (or relevant portion) due to such rate change, WFOT will have the option of either: i) allowing the Client to cancel that portion of its order affected by the rate change in which case the order will be cancelled within thirty (30) days of receipt by WFOT of the relevant notice from the Client, or ii) acknowledging that the lower rate will apply for the remainder of the then current term of the Advertising Agreement after which time, if the agreement is extended or renewed, all rates will be adjusted in accordance with WFOT's then current advertising and production rates and amended thereafter as notified by WFOT from time to time.
