Important Information for delegates

With just over two weeks to go until WFOT 2010 Congress, we would like to provide you with some information to help you get the most out of your congress experience.

If you require assistance throughout the congress, please visit the Registration Desk and we will do everything we can to help you.

IMPORTANT: Please ensure you bring a printed version of your name and organization as confirmed via email from the WFOT Congress Office. You will need to present it at the registration desk on arrival for collection of your congress materials.

Collect your Delegate materials on Monday 3 May and enjoy a Free City Familiarisation Tour on the way!

Plan to travel to the congress venue on Monday 3 May, to collect your registration and delegate materials early, and on the way enjoy a Guided City Familiarisation Tour. There will be regular coaches departing on Monday afternoon from three locations to the congress venue so that delegates can avoid the rush of registering and collecting materials on Tuesday morning.

There will also be 'Briefing' sessions on Monday afternoon, to help you get the most out of your congress experience –what's on, how to read the program, description of the sessions you can participate in, social events and other networking opportunities.

The transport schedule is as follows:

Bus Depart from three locations

1. Teatinos 120 - Plaza de la constitucion - Metro Station La Moneda
2. Plaza Italia - Metro Station Baquedano
3. Escuela Militar - Metro Station Escuela Militar

At the following times:

Monday 3 May: 1pm AND 3pm

Important Notes:

- We recommend reviewing the program and identifying the sessions you wish to attend prior to arrival. This will help you relax and enjoy your congress experience.
- Abstracts will be provided on CD Rom for all delegates on arrival at the congress. If you wish to have hard copies of abstract with you at the congress to review, we suggest that you print selected abstracts from the website prior to arrival.

- Please note that Friday's sessions will begin at 9.30am (Tuesday – Thursday begin at 9am) to allow people to enjoy the Congress Dinner on Thursday evening.
- Simultaneous Translation:
All Keynote Presentations, Orals, Short Orals, In-congress workshops and the WFOT Business Meeting will be simultaneously translated. Standard, Prime and Guided Poster sessions will be held in one language only, as indicated on the programme.
- Certificate of Attendance and Presentation
Please collect your Certificate of Attendance from the Registration Desk after 12pm Tuesday 4 May. If you are a Presenter, a Certificate of Presentation will be given out to you at the end of your Presentation.
- Room Capacity
As the capacity of some rooms are limited (particularly in-congress workshop rooms), delegates will be allowed access on a 'first come – first served' basis. After all the seats have been filled in a room, no other delegates will be permitted to enter. Therefore we advise that you arrive early at sessions that you particularly wish to participate in, and also select a 'second preference' for each session time, so as to avoid disappointment.
- Delegate Handouts: Some of the presenters have made their delegate material available for download off the website. Please go to www.wfot.org/wfot2010/presenter.php for details.
